•	President's Report	Peta Shanahan
	Term 1 is always a slower start to the year for the P&F, as we don't have the AGM to mid-way through the term. The 2025 executive was elected, and we began plans for moving forward into 2025.	
	The Welcome BBQ was our first event, and it does set the scene for the year ahead. The BBQ is mainly for our Kindy Families, but the invite is also extended to all new families. It was fantastic to see over 100 members of the School Community in attendance. We were blessed with lovely weather and a great team of volunteers to once again make the welcome BBQ a success.	
	Term 2 is already proving to be busier than our first term. This week started with the Mother's Day stall and plenty of excited students!! Thank you to all our volunteers on both Sunday afternoon setting up and yesterday. This is an event where we only have to ask once and we have more than enough helpers, which is fantastic. Well done to Amy on all her efforts putting the stall together. As prices rise, it is a greater challenge to keep our prices down to \$5 per gift but she did a fantastic job of this.	
	On Friday we hope to see all the Mum's of the School Community joining us for morning tea following the Assembly. As many our volunteers are Mum's, we have outsourced the catering once again to Fresh Start 2 U Catering. Once we recover from this week, we will be moving forward with Fair Planning. The Fair may look a little different this year with the Church construction, however we will push forward and make things work. Jess and I will be organising a Fair Information Session in coming weeks. This will be to discuss all things fair – we are interested in hearing ideas, thoughts and suggestions in relation to the 2025 version of the Fair.

We kick started term 2 with our first fundraising event for the year – the Mot		
Stall. We had a successful day, with over 1000 gifts sold, and students were a		
purchase not just one gift but also second, third or even fourth gifts for the N	/lums,	
Grandmothers or Mother-like figures if they wished to. While fundraising is n		
primary objective of the stall, we achieved a modest profit of \$500 that will g	o towards	
projects for school. Thank you to our wonderful volunteers who helped with s	set-up, gift	

Thank you also to the school community for their generous support of the student's purchases at the stall. Following discussions at the previous meeting, we have decided to try a movie fundraising	
night this term. The movie night will be held at United Cinemas Narellan on Friday 30 May 2025 at 6pm, showing Lilo & Stitch. More information will be available soon, but please pop this date in your calendar and watch out for more information about how to book your tickets!	
<ul> <li>9. <u>Assistant Principal Update</u> Mr Jarrett advised the meeting that recent compliance auditing had been undertaken and in response, presented to the meeting the following updated documents: <ul> <li>Behaviour Management Guidelines</li> <li>Anti- Bullying Policy.</li> </ul> </li> </ul>	Joel Jarrett
Mr Jarrett provided an overview of the documents and advised they would be shared with the wider school community via the upcoming newsletter and via the policy page on the school's website.	
The meeting provided Mr Jarrett with some initial feedback, including that past feedback has been inconsistent in relation to behaviour issues. They also identified concerns regarding communication, language use and parents with English as a second language. Mr Jarrett conveyed that the document should help provide clarity for all who are part of the process, and the meeting provided positive feedback. He also advised that parent's are always welcome to seek more feedback or information and that these requests will be supported by the ELT.	
10. <u>General Business</u> Fair update – schedule of upcoming meeting dates to be provided ASAP. First meeting will provide opportunity for feedback on last year's fair and suggestions for 2025.	Peta Shanahan
